

Resource Sheet: How Israel Compares

Double-sided

About the Scholar

Shale Horowitz is a Professor in the Department of Political Science at the University of Wisconsin-Milwaukee. His research has examined international and ethnic conflict; the politics of international trade and finance; and the politics of market transition and institutional change. He is the author, co-author, or co-editor of five books and over 50 academic articles. His current research interests include ethno-territorial wars and Chinese politics. He regularly visits Israel.

Prof. Shale Horowitz

Professor of Political Science
at University of Wisconsin-Milwaukee

Key Takeaways

- ✓ Around the world, there are dozens of conflicts similar to Israel's.
- ✓ Of the many countries involved in similar conflicts, Israel's goals and methods are among the most moderate, even though Israel faces by far the greatest threat.
- ✓ Among the dozens of similar conflicts, there is no greater asymmetry than that between Israel's moderation and its enemies' extremism.
- ✓ Israel's enemies are guilty of a particularly lethal form of anti-semitism.
