

The Jewish people can respond successfully to the immediate and pressing issues of the war in Israel and rising antisemitism worldwide by strengthening our peoplehood, identity, and purpose.

**INSTEAD OF RETREATING IN FEAR OR ANGER, WE
CHOOSE TO STAND UP**

#10XSTRONGER

FILM & FORUM

BRING FILM & FORUM TO YOUR COMMUNITY:

THE FILM: *Tragic Awakening: A New Look at the Oldest Hatred* – a profound and timely documentary that delves deeply into the roots of antisemitism. Where does such unbridled hatred come from, and can it be harnessed into a force for good? By tracing antisemitism back to Sinai, the film exposes antisemitism as opposition to what the Jewish people stand for.

THE FORUM: A workshop that encourages a meaningful encounter with our foundational values embodied in the 10 Commandments. Participants will internalize, personalize, and embrace the call to stand #10xstronger with Jewish pride.

CONSPIRACY U: A Case Study:

In his book *Conspiracy U* Scott Shay, Chai Mitzvah's founder and Board Chair, tackles the thorny question of how otherwise brilliant minds willingly come to embrace and espouse the anti-Zionist conspiracy theories championed on college campuses by both the far-right and far-left. He explains why Zionism, the movement for Jewish national self-determination, has become a focal point, and reveals why Jews serve as the canary in the coal mine. Along with a digital study guide featuring videos from *Unpacked for Educators* this work helps distinguish fact-based theories from conspiracy theories.
